

VENICEARRHYTHMIAS PRESENTS: SOLAECE CORNERS @ VA2011

Dr. Antonio Raviele

Dr. Andrea Natale

Dear friends and colleagues,

We would like to remind you that the forthcoming edition of **VeniceArrhythmias**, due to take place in **Venice, October 9-12, 2011**, will include two especially dedicated SOLAECE SCIENTIFIC SESSIONS, included in the Scientific Societies Corners:

SOLAECE Corners

- CONTROVERSIAL ISSUES IN AF MANAGEMENT: WHY YES, WHY NOT (1)
- CONTROVERSIAL ISSUES IN AF MANAGEMENT: WHY YES, WHY NOT (2)

Program Chairmen

Luis Molina / Mexico City, Mexico

Oscar Oseroff / Buenos Aires, Argentina

Further information concerning the SOLAECE Corners and every other Scientific Societies Corner is available on our brand new **Advance Program** - if you wish, you can **download it on our website**.

Moreover, we kindly encourage you to **REGISTER NOW** to VA2011 via our **exclusive On-Line Registration Form** on our website.

We trust that the excellent level of VA2011 Scientific Program and the unique location of VeniceArrhythmias 2011 will stimulate you to come numerous to Venice and to actively participate in a meeting that has become a classical appointment of arrhythmology worldwide. We heartily invite you to attend VeniceArrhythmias 2011, and look forward to welcoming you in the enchanting Venice.

Yours truly,

Antonio Raviele, MD, FESC, FHRS
President of VA2011

Andrea Natale, MD, FACC, FHRS
Co-President of VA2011
